LIST OF MINISTERS.

WITH THEIR ADDRESSES.

This list gives the names of all ministers in the Unitarian Fellowship who are or have been settled as pastors of Unitarian churches. The list contains 558 names.

The insertion of names in the list, as well as the withdrawal of any, is wholly in charge of the Executive Committee of the National Conference Committee on Fellowship.

For the statistics given with the names and the form of their publication the editor of the Year Book is alone responsible.

Under the heading "Settled" are given for convenience the dates at which a few who were not duly installed began their present service, and also the dates at which a few whose work is closely akin to pastoral service began their work.

Those ministers for whom no date stands under "Settled" were without settlement at the date of the preparation of this list (June, 1908).
